Comstar Interactive Hires Sprint Nextel Veteran

June 8, 2007

(South Plainfield, NJ) - Comstar Interactive is pleased to announce the addition of a leading telecommunications industry veteran, Loretta Koerner as Business Development – Mobile Solutions. In this role, Loretta will be responsible for establishing new Mobile POS business partners, leveraging her current business partners and exploring new product opportunities in the wireless and wired telecommunications services.

Loretta comes to Comstar from Sprint Nextel where she was an Indirect Channel Manager, handling the day to day activities and sales for 11 territories Nationwide. Loretta will be utilizing her skills, contacts and wireless knowledge to sell Charge Anywhere® on mobile applications paired with Bluetooth card readers/printers, as well as enhancing Comstar's presence as a Sprint Business Solutions Partner.

"Joining Comstar gives me a chance to completely learn another side of the wireless business, POS. Comstar's combination of wireless expertise and other payment solutions provides the 'one stop shop' that our customers and partners desire", said Loretta Koerner.

"We are very excited to have Loretta join Comstar. She brings years of mobile phone, wireless and wired telecommunications experience to our company. We anticipate the bundled solution of Charge Anywhere POS Mobile Edition on the RIM, Treo and Pocket PC, paired with a Bluetooth magnetic card reader / printer to be in huge demand", said Paul Sabella, CEO and President of Comstar Interactive.
