Velocita's Mobitex Network Has Been Acquired!

June 29, 2007 – South Plainfield, NJ – Comstar Interactive is pleased to announce they recently received confirmation from Velocita that the Mobitex network has been purchased by Mobitex's European-based owners.

According to Comstar's CEO, Paul Sabella, this announcement puts to rest the past two years of uncertainty regarding the future of Velocita's Mobitex network. *"With this acquisition, the Mobitex network will be operating for many years to come!"* commented Mr. Sabella.

Merchants utilizing Mobitex terminals can expect to receive the same high level of service from Comstar.

The Company would also like to reinforce its commitment to providing the lowest cost terminal in the marketplace today, the Comstar RIM Charge Anywhere® terminal, which recently received VISA PABP certification. Comstar can provide PABP compliant upgrades to any merchant upon request.

We will provide more details on this transaction as soon as it is available.
