

Free Live Online Chat with Customer Support Now Available from our Website

South Plainfield, NJ (June 10, 2008) – CHARGE Anywhere® is proud to hold a leadership position in the Point of Sale industry. At CHARGE Anywhere, we work relentlessly to earn that leadership position by providing innovative products, iron-clad security, outstanding services and support. The latest customer support feature has been recently released to ensure that being our partner is as simple as possible. "Live chat" is now available at our corporate website at www.chargeanywhere.com. It enables our valued partners to chat online with our dedicated customer support representatives.

Whether you have a complicated inquiry or a quick question an answer is only a click away. Getting expert advice is as easy as logging on to www.chargeanywhere.com and clicking on the "Chat online" button on the right. Our experts will provide a live response to your question within a few seconds. Please rest assured that the conversation is secure and that you are receiving the same quality support from the same expert team that takes care of our valued partners over the phone. Our phone support center and our e-mail hotline at support@chargeanywhere.com will continue to provide quality customer care in addition to the live chat feature giving you the choice of support options that fits your needs.

The live chat feature is available Monday through Friday 9:00 A.M. ET to 11:59 P.M. ET. In the off hours, you can leave CHARGE Anywhere a message. CHARGE Anywhere will be glad to respond to that message the next business day. Please rest assured that CHARGE Anywhere is working relentlessly to continuously improve our services. The addition of the chat feature to our services symbolizes our unwavering commitment to providing top-of-the-line support.
