

## **CHARGE Anywhere® Introduces Mobile Payment Solution for the Palm® Pre™**

SOUTH PLAINFIELD, NJ (July 2, 2009) – CHARGE Anywhere®, a leading provider of secure mobile payment solutions and electronic payment services, introduces a mobile payment solution designed for use with the Palm® Pre™. The CHARGE Anywhere application optimized for the Palm Pre will allow merchants to accept mobile credit card payments and email receipts directly to customers.

Since 2004, CHARGE Anywhere specializes in secure mobile payment software for mobile businesses. With several PA DSS validated payment software applications and its top-of-the-line PCI DSS Level 1 secure payment gateway and card hosting center, CHARGE Anywhere provides end-to-end secure solutions.

The CHARGE Anywhere Palm Pre Mobile Payment Web Solution is the newest addition to the suite of CHARGE Anywhere's Award Winning Mobile Payment Solutions that also includes PA DSS certified applications for BlackBerry®, Windows Mobile®, J2ME™, and Mobile Web Payment Solution for the Apple® iPhone™. These payment solutions allow mobile merchants to accept payments anywhere, at any time.

The CHARGE Anywhere team strives to provide leading edge payment solutions and continuous integration with the latest technologies, while maintaining award-winning iron-clad data security. The addition of the Palm Pre to CHARGE Anywhere's portfolio of supported mobile payment platforms extends the benefits of this new and exciting technology to CHARGE Anywhere's customers.
