

## CHARGE Anywhere® Completes Certification to Moneris® Enabling Mobile Payments in Canada and US

SOUTH PLAINFIELD, NJ (April 26, 2010) - CHARGE Anywhere®, a leading payment gateway provider and mobile payment software developer has completed certification to the Moneris® Solutions platform for payment processing in the US and Canada.

CHARGE Anywhere® and Moneris® Solutions, together, give merchants unparalleled options in payment processing in the United States and Canada. With CHARGE Anywhere's extensive suite of ten PCI PA DSS validated software solutions and the ComsGate® Payment Card Industry (PCI) DSS Level 1 validated payment gateway, combined with real-time payments, and premier business services, the solution delivers the end-to-end, secure Point-of-Sale capabilities needed to take a business from neutral to overdrive.

CHARGE Anywhere®'s award-winning mobile payment solutions, integrated software and hardware solutions, secure payment gateway services and reporting services are the perfect complement to Moneris® top-of-the-line point-of-sale solutions, online payment capabilities, loyalty program, PIN-pad solutions, and funding offerings.

"CHARGE Anywhere® is very excited to complete our certification with Moneris® Solutions further expanding our services capabilities into Canada. This certification for credit, signature debit, PIN debit, and CHIP and PIN transactions will now empower our clients and merchants who need the flexibility of mobile phone payments, wireless terminal, web terminal and IP based payments in the US and Canada," says Paul Sabella, President & CEO of CHARGE Anywhere®.

CHARGE Anywhere® LLC's solutions are winners of the 2009 Best of Interop-PCI Security Solution Award, the 2009 Electronic Transaction Association Technology Innovation Award and the 2010 CTIA E-Tech Awards in the Mobile Applications - Mobile Payments Category.
