

eliteMobileMerchant.com Joins CHARGE Anywhere®'s Mobile Payment Certified Distributor Program

SOUTH PLAINFIELD, NJ (February 26, 2010) - CHARGE Anywhere® LLC, a leading provider of Mobile Payment solutions and payment gateway services, announced today that eliteMobileMerchant.com, a division of Elite Payment Processing LLC of Ft. Lauderdale, Florida has become a member of CHARGE Anywhere's Certified Distributor program, specializing in secure Mobile Payment solutions.

Elite Payment Processing provides full-service payment processing for credit card and debit card transactions for all types of businesses. With premium quality service, superior support and professionalism, Elite is poised to play a dominant role in the Mobile Payments market. Participating in the CHARGE Anywhere Certified Distributor Program will play a vital role in enabling that success.

Bryan Facterman, President of Elite Payment Processing stated, "We are thrilled to be able to launch our new mobile credit card processing offering to both our current customers and new customers alike. The mobile credit card processing offerings will help our customers increase their sales, improve their customers experience and provide the payment security needed in today's marketplace. We are excited to partner with CHARGE Anywhere, the leader in mobile credit card processing technology."

"We are excited to have Elite Payment Processing take part in CHARGE Anywhere's Certified Distributor Program and avail themselves of the product training, marketing support and on-going benefits of this relationship. Elite's commitment to the mobile payments' space and their investment in this segment of their business is indicative of their future success," said Marty McMullian, VP of Sales at CHARGE Anywhere.

CHARGE Anywhere's Certified Distributor Program offers Certified Partners a complete formula for Mobile Payments success. The Program encompasses access to award-winning PCI compliant mobile payment products, training, marketing support and exclusive member-only benefits. Elite made a strategic decision to capitalize on the explosive Mobile Payments market that will enhance the successes of both organizations.

CHARGE Anywhere's award-winning solutions include PCI PA DSS validated payment applications for BlackBerry®, Google®'s Android™, Windows Phone® and JME® phones, as well as PCI DSS Level 1 payment gateway services, deployment and customer support. Moreover, with CHARGE Anywhere's Bluetooth® card reader and receipt printer, mobile merchants pay less by qualifying for swiped processing rates. The automatic importing of mobile transactions into QuickBooks®, a unique feature of CHARGE Anywhere's mobile payments solutions suite, saves merchants time and prevents data entry errors at the back office. The complete solution enables merchants to accept card payments securely, while lowering the merchants' costs and saving time..

CHARGE Anywhere's solutions are winners of the 2009 Best of Interop-PCI Security Solution, and the 2009 Electronic Transaction Association Technology Innovation Award.
